

## Job Title: **LA County Bike Acquisition Wrangler (Wrangler)**

The LA County Bike Acquisition Wrangler is a new program, funded for 2 years, to encourage cycling by helping make bikes available at reduced prices. The Wrangler will work to obtain and distribute recovered and donated bikes. In addition, the Wrangler outreaches for the LA County Cycling Collaborative (CCC) – a collaborative of 6 L.A. bike groups: Bicycle Kitchen, Bike Oven, BikeRoWave, C.I.C.L.E., LACBC and Valley Bikery.

The Wrangler will pursue sources of bikes from police departments, Metro, colleges and universities, individual donors, bike industry and other possible sources of used/donated/recovered bikes. These bikes would be picked up (via truck) and triaged by the Wrangler and provided to programs of the six CCC organizations. Through working with various groups and individuals, the Wrangler will raise awareness of the CCC groups and their missions including encouraging and empowering bicyclists throughout L.A. County.

The CCC's Wrangler will work for and report directly to the LACBC. The Wrangler will work closely with the CCC's four cooperative bike repair spaces making appropriate recovered/donated bikes available to each. The Wrangler will also work with C.I.C.L.E. to coordinate bike distribution through workshops taught in communities across L.A. County.

This is a **part-time** (3 days/week, 60% FTE) position, **currently funded for two years through Spring 2012**. LACBC is interested in raising additional funding for the program, but continued funding is not guaranteed.

Salary Range: \$18,000-\$21,000 annually (plus some benefits)

### Necessary Qualifications and Experience:

- Minimum 1-year bicycle repair experience – paid or volunteer - preferably via cooperative community bike repair space (such as at the Bicycle Kitchen, etc.)
- Availability to work some weeknights and weekends.
- Good communication skills – written and spoken.
- Basic computer skills: internet, email, word processing, and spreadsheets.
- Some experience interacting with a range of partners, such as law-enforcement personnel, university/college administration, governmental agencies, corporate offices, and/or community based organizations.
- Valid Drivers License and good driving record.

### Desired Qualifications and Experience:

- Volunteer coordination experience.
- Experienced transportation bicyclist.
- Spanish language skills.

Please submit resume and cover letter to [bikewrangler@la-bike.org](mailto:bikewrangler@la-bike.org) before 5pm June 7<sup>th</sup>.
